Karthikeyan A

High efficient algorithm
Used in real time prediction
Deployment in Cloud server
Deployment in Flask or Heroku server

Kishore M

User friendly interface
More detailing about the algorithm and it's usage
Scanner integration
Postal mail sorting

Kishore K

Bank check processing
Form data entry
Reading postal address
Bank Check amounts

Nissanth N A

Bank forms
Deployment in Cloud server
Deployment in Flask or Heroku server
Scanner integration

Pradeep S

High efficient algorithm
Used in real time prediction
Form data entry
Reading postal address

TOP 3 IDEAS

Deployment in Flask or Heroku server
Scanner integration
Reading postal address
